Love your local farmers' markets!

Around the world, spring is the whisper of what is to come. Sprouts, buds and blooms mark the beginning of growth and the promise of bounty. For us in the Monterey Bay area—the lap of our country's "salad bowl"—spring's siren song is muted by the fact that we have bounty all year long. Yet even here, magic bursts forth with the end of winter: The pop of sweet snap peas, the tender potency of green garlic and the arrival of our most famous crop, those jewel-like juicy strawberries, all bring us out to the farmers' markets to experience the gifts of the new season.
